

# Tools for Spiritual Caregiving

Now available, a full assortment of **practical tools** that will immediately help both care-providers and their loved ones. Whether stress, chronic overwhelm, depression, burn-out or fatigue is the issue, we offer a full service 'tool kit' that will transform the care provider's experience for the better.

The basic kit includes the book **Caregiver Revolution**, along with high quality incense, the CD "Caregiver Insta Fix," our popular *Ten Steps to Doing a Reading* booklet, scented oils & soaps, invocation pin and to top it all off – a beta blocker crystal quantum radio amulet.

Beta Blocker Amulet

Prosperity Path Orb

Snow Lion Tibetan-Style Incense

A beautiful add-on is the **Caregiver Prayer Box** which is handcrafted by the Hudson Valley artist Judy Gonzalez, an example as pictured below. Simply insert a picture of your loved one!

If you are not completely 100% satisfied with your **Caregiver Revolution Basic Kit** we will refund your money, no questions asked.

The assembled combination of items contains everything you need to transform your caregiving experience for the better. Detailed instructions for the use of all items is included.
